Exchange Student Program

Overview

Ajou University's student exchange program is designed to offer a one-semester or one-year study abroad program for students traveling from foreign countries to study at Ajou University. Consistent with its emphasis on global education, Ajou University offers a variety of courses taught in English on a regular basis. They are designed to provide an excellent opportunity for both international and Korean students to study their chosen fields in an international atmosphere.

Eligibility

Students of Ajou University's partner universities or students who apply through the International Student Exchange Program (ISEP).

Tuition

Exchange students apply through the International Office on their home campus and pay tuition to their home university. If their university is a member of ISEP, they can also apply for exchange program to Ajou University.

For regular exchange students, the application fee and tuition are waived. For ISEP exchange students, room and board is also waived.

Ajou International Summer School

Overview

Ajou International Summer School, AISS is a comprehensive short-term study abroad program that is offered every summer for all students including international exchange students, individual applicants and students from Ajou University.

The highlights of Ajou International Summer School are firstly the global feature of its participants (1/3 from America, 1/3 from Europe, and 1/3 from the Asia-Pacific region) as well as high quality lectures provided by excellent faculty members invited both from Ajou University and its overseas partner universities. It offers a unique opportunity for international students to experience Korean culture and tradition while taking courses during summer.

AISS is a 6 week-long international summer school in the field of Korean Studies, Asian studies, International Studies and Business Administration taught in English. Not only are classes offered that can be transferred for credits, but there are also special social and cultural activities, language programs, and other exciting events for students to explore and learn about Korea and its culture during the summer vacation.

A three-day field trip to Jeju Island (World Heritage) is arranged prior to the official program starts. This allows students from all around the world to experience beautiful Korean nature and culture, and it helps participants build close friendships with Korean students and each other.

※ 2017 Summer School will be temporarily closed and will be re-opened with improved content and programs in the near future. It will be updated at Ajou's website.

Dual Degree Program

Overview

Ajou University's Dual Degree is designed to nurture students with global competency in various disciplines. Students will discover not only high caliber faculty members and first-class education, but also a supportive and collaborative learning environment while pursuing a dual degree at Ajou University. Great Experience from Ajou University

The experience was great. The international office kept us up to date about everything. All in all I had a very good experience.

- BROUWER, SEBASTIAAN WILLEM *from. the Netherlands*

The first party helped me meet new people which was very nice. The field trip was also a good way for us to be introduced to the Korean culture. Furthermore, the Seoul field trip was a nice idea to start with as you get to know the city.

- VAN DEN HOVEN, MAARTEN ROLAND *from. the Netherlands*

I was able to understand a little more about Korean's life not only just from my perspective but also from other Koreans'

- KOO, POOI YEE *from. Malaysia*

Everything was awesome. I have learned a lot about this country as well as my own. I will never forget this semester for the rest of my life.

- CARRETERO CONTRERAS, GONZALO *from. Spain*

It was a great experience to discover a whole new culture and the Koreans were warm and friendly toward us.

- ROSEN, JOSEPH *from. France*

Overall very well organized, with a lot of different activities and support from the Office of International Affairs and members of Ajou Global Ambassador

- CHRISTIANO BERRETTARI, FERNANDA *from. the Netherlands*

Overall I am satisfied with the exchange program.

- Abdulaziz, Yokubov *from. Uzbekistan*

Friendly people, great dormitory

- ANDERSSON, EBBA ALICE JOSEFINA *from. Sweden*

The information provided was most of the time good and timely.

- MORTENSEN, PETER *from. Denmark*

Everything was perfect for me.

- VÁZQUEZ DE MIGUEL, ALMUDENA *from. Spain*
